Carolina vacations

On my next holiday, I'm going to Medellin. I'm going to buy my plane tickets tomorrow. I'm going to fly into Caribe on the 5th of June, and I'm going to stay in a hotel in the city town.

I'm going to visit all the important sights, and I'm going to spend some time at the beach. My best friend Mateo is going to get married next month with her Girlfriend.

She's going to have the ceremony in the church in her mother's town Marinilla. After the wedding, she and her husband are going to have dinner with all their friends and family, and the next day they're going to leave on their honeymoon. They're going to Venecia.

Before, i will go to a party at Jenny lao nightclub. I will enjoy so much! because i will see all my friends from Medellin that I'm not seeing since a long time. Just right now I will go to a store to buy the perfect dress for me, I want to look wonderful tonight.

I will tell my cousin, maybe she'd like to go with me. I'm sure we will have a great time together. Maybe my parents will be angry because also today is my mother's birthday and they want to me to have a dinner

together at home, but I will give her a beautiful gift and I will tell her how much I love her and I will try to explain why I'm not going to be with them tonight.

I'm so excited! I will buy a red dress, I hope I can find the perfect one, I will wear it with a big pleasure. I think I will ask to my brother to join me as well. I'm sure he will get so much fun. I will call my cousin just right now to invite her and maybe she can go by taxi and join us there.
